

Clark Markets Food Sale Now In Progress, Ends on Sunday

A tremendous money-saving food sale is now in progress at all Clark Supermarkets and will continue for four consecutive days until the close of business on Sunday at 10 p.m. It was announced this week by Clark officials.

A special feature of the Clark sale will be the unusually low prices on a wide variety of top grades of U.S. Government inspected meats, officials stated. Clark meat buyers stressed the importance of meat in the daily family diet as the best possible source of health-giving proteins and minerals. Especially now, with the winter months commencing and the danger of colds

upon us, it is vital to supply each member of the family with an adequate daily supply of meat, they commented.

Clark officials today also announced greatly reduced shelf prices on 283 nationally known grocery items. "We have put into effect greatly reduced prices on 283 nationally known grocery items," Clark officials commented. "These are everyday new low shelf prices—not sale prices—and will be available day in and day out—7 days in the week. And these are the fast selling items—the ones you buy most often—so your savings are greater. This policy of bringing our customers absolutely the lowest prices in town plus extra bargains in this great sale, combined with our tremendous meat sale, all adds up to greater savings on fine food than ever before. The folks of this community will save themselves many dollars during this big November Food Sale," the Clark officials concluded.

Cobalt, a strategic metal, derives its name from kobold, meaning an evil or mischievous spirit.

Seaside Carnival Rated Huge Success

By Sue Burk FR 5-4549

The monthly meeting of the Scout Mothers Club met in the home of Mr. and Mrs. Frank Burk of Zakon Road, this last Wednesday evening. Discussion was on taking each patrol to swimming classes with experienced instructors, so that the boys could pass their Eagle rating in Boy Scouts. Bills were presented and paid by the treasurer, Mrs. Kissel; also dues paid up to date and in advance for future meetings. Some talk on the need of Cub and Scout suits was mentioned and hopes of finding these items (second hand) were high. Those ladies attending the meeting were Mrs. Merle Holstin, Bonnie

Evans, Melba Gruver, Kissell, Jane Parent, Mildred Muldon, Dorothy Mearing, Alameda Miedbrooks, Madge Graham, Margaret Whyte, Woods, Gail, Virginia Nauman, and hostess Sue Burk. The next meeting will be held in the home of Mr. and Mrs. Dick Naumann of Sharynne Lane, on Nov. 18.

The Eagle Scouts of the Boy Scouts of America, Troop 725, attended their first Eagle Dinner at the Biltmore Hotel Ballroom last Thursday. Boys now with Eagle ratings who attended were Stan Wilson, Ray Bundegard, Raymond Parent, Bobbie Holstin, Dorsey Gruver, and Bill Evans. Congratulations are in order for these boys as this is one of the stiffest and very toughest ratings to pass. Good luck all the way, boys.

We were just terribly happy to see so many turn out at the big carnival presented by the Seaside Parent Teacher Association. The different booths and the wonderful circus was the best ever to enter Seaside School. We would like to thank each and every person responsible for the carnival and those who donated cakes, cookies, potato salad, etc. have our most gracious thanks. We know everyone enjoyed a very nice time and feel doubly sure that no one has reported any type of vandalism in the area. So we shall credit this fact to this year's Halloween carnival and to the Seaside PTA, who worked so hard and planned so well for everyone to enjoy.

Only one person we know that didn't enjoy Halloween so much. His name is Barry Dea Holstin. And what was the matter with Barry? Well, the night before he ate something that didn't agree with him, so poor thing, he just couldn't put a lot of candy and stuff away. We're sorry, kid, hope next year is better for you.
